

## Post Primary DEIS Action Planning Online CPD

The PDST DEIS team invite you to attend the DEIS Action Planning seminar which is being offered online during the school day with full sub cover provided.

This seminar provides Principals, Deputy Principals, DEIS Coordinators & Teachers with an opportunity to engage in the DEIS Action Planning process, through the 8 themes of DEIS. It will highlight the importance of effectively gathering relevant baseline data and subsequently set SMART targets

The aims of the seminar are to:

- Provide teachers with an opportunity to reflect on DEIS Action planning to improve educational opportunities for those who come to education at a disadvantage.
- Discuss the differences between Targets and Actions and how to link both of these within a DEIS Action plan, with a focus on effective approaches to teaching and learning.
- Provide opportunities to professionally collaborate and develop a shared understanding of effective DEIS Action Planning in a school community.
- Acknowledge effective Teaching & Learning as the core activity for engineering change in schools and how effective Teaching & Learning supports the implementation of actions under the three areas of classroom practice, subject department and whole school level.
- Explore the process of monitoring, evaluating and working with a DEIS Action plan, how it is reported, communicated and reviewed.
