

JCSP “Define the Future” Competition

The world is continuously changing around us. Every day, the world of medicine, science, technology and nature is advancing and evolving at an enormous rate.

Do you ever wonder what this fast-paced world will be like in 10 years' time?

This competition is an opportunity for JCSP students to think, dream, invent and showcase their literacy skills in the process! Students are asked to document their thoughts about how our world will look like in 2033.

Students can produce their text based entry in any genre of their choice (e.g. letter, diary entry, narrative, opinion piece, short story, blog) or use drawings, pictures or digital graphics to illustrate their ideas.

All submitted entries are the property of JCSP and may be used in posters or other materials, shown at in-service, and put on our website.

As each student receives a personalised Certificate of Participation, please ensure an entry template is completed and returned which includes the student's full name and school year.

Original Artwork should be scanned and retained in school.

All entries to be submitted digitally.

Submit entries to
jcspresources@oide.ie

Closing Date:

Friday 8th December 2023

Success Criteria:

- Creative and original work produced by students.
- Ideas presented in a structured and logical manner.
- Entries should be maximum one A4 page or three hundred words.
- Entries can be individual or group and can include writing in Irish, English or Modern Foreign Languages.
